Note:

- The number of places available every year for each year level according to information to be published on this website on the first day of school, will be updated once the winter holidays of that same year are over.

- For available places the gender parity criterion must be met in each year level, with a 10% acceptable margin of difference between girls and boys.

- Please note that places available for Year 10 can be used by pupils who have done the International Baccalaureate (IB), and they will be closed in May of each year, the same date as the registration of candidates for that programme.
